**Why did you join Club Wolfgang?**

I joined Club Wolfgang at inception, after helping to develop it on a volunteer basis with members of the CPO staff. Over the last five years, I've been extremely satisfied to watch it grow and am still happy to contribute to it in any way that I can.

**What's on your iPod?**

My music library generally consists of an admittedly picky collection of mid-tempo alternative rock.

**What are your hobbies and interests?**

In my personal time, I enjoy playing golf as a member at the Calgary Elks, my travels currently span 45 countries, and I serve as a board member for the Oneball Charitable Cancer Organization ([www.oneball.ca](http://www.oneball.ca)).
