Why did you join Club Wolfgang?

I had just moved to Calgary from Toronto. I wanted to learn more about arts and culture in Calgary so I reached out to the CPO. The next thing I knew I was a member of Club Wolfgang and building friendships that are among my closest today.

What's on your iPod?

Everything from top 40 and hip hop, to classical and opera. It depends on what mood I'm in, or want to be in.

What are your hobbies and interests?

I love to travel and am an avid scuba diver. I'm constantly looking for an excuse to get away, preferably somewhere with good diving.
