

Welcome!

This Season, as the Calgary Philharmonic Orchestra celebrates 65 years in this great city, we reflect on all the ways music brings us together and strengthens our community. Our 2020/2021 Season is the result of two years of careful planning and hard work to bring you an outstanding lineup of concerts and guest artists.

We recognize the last few weeks have been difficult for everyone, both emotionally and financially. We appreciate your past support, and we understand if you're not able to make the same commitment at this time. To help meet your individual needs, we're offering some new options, including gift vouchers that can be purchased online in any amount — for yourself or for someone else — and then applied to a subscription or individual concert in the future. Our sales team is happy to work with you to find a solution that meets your needs.

Subscribers get front-of-line access until 15 June 2020* when single tickets go on sale. You also get the best deals offered all Season long, and your loyalty is rewarded with these benefits and perks:
